OFFICE OF LEGISLATIVE COUNSEL

Thursday - 2 April 1964

1. [] Colonel White and Mr. Warner met with Senator Williams in connection with his query to GSA concerning [] Colonel White explained in some detail the activity in the building and the requirements of urgency at the time of construction activities. Senator Williams did not fully accept the fact that classification was necessary with respect to construction costs and change orders. He requested he be furnished with a list of the subcontractors, the persons who issued the performance bond and relationship of McClosky to any of the subcontractors, if any. He indicated he reserved judgement on whether this was classified indicating that the information should not be furnished to him if it is classified. Colonel White will go into this matter with GSA.

2. [] Talked with Senator Symington who wanted to make sure that appropriate action was being taken on two applicant cases, one [] He emphasized that he thought these two were ideally qualified for Agency employment. He mentioned his conversations with the Director on the general question of recruitment and specifically the [] Later I advised the Senator that both these individuals had been interviewed by the Chief of our Recruitment Branch and indeed appeared to have excellent qualifications. Symington was advised that both individuals had been furnished our detailed personal history statement to complete and upon return of these, we will continue the processing.

3. [] Talked further with John Buckley, in the office of Representative Dante B. Fascell, making arrangements for a meeting with the Congressman in Miami tomorrow on the []

4. [] John Sullivan, special assistant to Senator Daniel B. Brewster called to say that the Senator will be delighted to come out to the building for breakfast one day next week. We are to set the day and be back in touch with Mr. Sullivan on Friday.

25X1 6. [] Miss Oosthoek in the office of
Congresswoman Frances Bolton telephoned asking that the Congresswoman
be sent a copy of "Soviet Economic Problems Multiply." This was done.

25X1 7. [] met with Mr. Jerome S. Adlerman,
General Counsel, Senate Permanent Investigating Subcommittee, regarding
25X1 audit reports of [] A question had been raised with the
General Accounting Office by Mr. Thomas A. Nunnally of the Committee
Staff and relayed to Mr. Houston by Mr. Robert Keller, General Counsel,
GAO, with the suggestion that the Agency make direct contact with the
Committee. I advised Mr. Adlerman that the Agency initiated the []
program and although there had been a high degree of cooperative effort
with Air Force, Agency funds and contract authorities were utilized
throughout. In consequence, audit reports are not available at GAO. It
was noted also that the program eventually will be phased to the Air Force
and brought under normal Air Force contract procedures. Turnover has
not been initiated. Mr. Adlerman indicated that Agency development and
control of the program did not surprise him. He raised no further questions
on the matter but thanked me for coming by. Mr. Keller will be advised
of the meeting.
